

Evening with the Homeless

Keep the Light On

And the Welcome Sign Out for the Homeless

Help raise money to

Keep the Light On

all night long, by getting people to sponsor you before the event!

Get Involved

Most of us in the St. Louis area have a safe, dry place to sleep every night. Yet while we are home in our beds, thousands of homeless men, women, and children seek comfort on the streets. You can help to find solutions to the challenges of our homeless brothers and sisters. On **Friday September 20th**, come out with your family and friends to find out what you can do.

Here's just some of what awaits you:

- Participate with other caring people, including youth groups, families, and school groups in an experience that will help you get involved to help the homeless.
- Learn what homeless men, women and children face every day.
- Hear from experts - individuals and organizations - about the issue of homelessness and how each of us can do our part in supporting solutions.
- Discuss and brainstorm with other attendees about what is being done in your community to help.
- Learn how to help rescue homeless men, women and children in the Metro Area.
- Plus much more!

Learn how you can help the homeless in your area
